

SANDY LAKE

REHABILITATION & CARE CENTER

WEEKLY UPDATE

September 3, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we continue to have NO confirmed cases of COVID-19 in our facility with residents or staff members.

As it currently stands we continue to be locked down meaning NO visitation until further notice. TX HHSC is currently developing procedures that Nursing facilities must meet in order to hold outdoor visitation, window visitation and or parades but at this time HHSC has not officially approved any visitation.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 972-462-6600.

Sincerely,

Mark Johnston, MHA
CEO Sandy Lake Rehabilitation & Care Center
